

## PAW-MANDMENTS

### Do's

- Remember to bring your pooch's bed and any other doggy essentials (lead, bowls, food, toys etc).
- Keep your dog on the lead while in the hotel grounds.
- Clean up after your dog - see map for doggy bin locations.
- Clean mucky paws with our special doggy towels, located at the Pawsome Pooch Entrance and within the restaurant (see map for towel station location).
- Please keep your phone handy in case we need to contact you during your stay.

### Don'ts

- Please keep all paws on the floor in the bedroom as you will be liable for any damage caused during your stay.
- We would prefer that your pooch is not left unattended in your room. However, if you are using the leisure facilities at Gables Hotel or dining without your furry friend, please display your doggy door hanger and let our reception team know. Please note, your room will not be serviced if your dog is left unattended.
- Please ensure that your dog is on its best behaviour and not noisy so as not to disturb other guests.

## IMPORTANT INFORMATION

Our canine companions love going on holiday as much we do. So why should they miss out on all the fun? Here at the Old Loans Inn, Pawsome Pooches are welcomed with open arms. We charge a small supplement of £10 per dog per night in bedrooms and allow a maximum of two dogs per room.

Your pampered pooch will find a yummy treat in the room on arrival (because travelling is hungry work!). Mucky paws can be wiped down using our special doggy towels, available at our doggy station (see map for location).

You can relax and dine with your dog in our dedicated doggy areas within the restaurant (subject to availability). When the sun is shining, chill out in our beer garden and dine al fresco.

Assistance dogs are welcome everywhere.

Check out our recommended walking routes in the surrounding area. Please ask at reception for more details.

Why not treat your dog to its very own spa day at our recommended dog groomers, Peppermint Pooch, located in Troon. Quote **SimpsInns10** to receive a 10% discount off any treatment!
