MEETING YOUR NEEDS

To assist with your arrangements at this time, we have put together a few points to consider when arranging a loved one's funeral

Where and when is the funeral taking place?

Have you decided on your menu selection?

We have included a menu selector for your perusal. We can offer a wide range of options from buffet to seated lunch. Menus can be personalised to suit your needs.

How many friends and family should I cater for?

To assist on the day, it is worth allowing some extra time to be as accurate as possible as we prepare your menu fresh and for the number requested. Don't worry if a few extra guests arrive, we will quickly be on hand to make adjustments. Should you require catering for more guests, please speak to a SimpsInns manager on duty, who will make the necessary arrangements.

Would you like to arrange a welcome drink for your guests on their arrival?

Please advise if you would like a table reserved for immediate family. If so, how many would be at this table?

For your convenience, we shall process your credit card and forward you a receipt and itemised bill. Alternatively, you may wish to settle on the day.

Private rooms/areas are available at all our SimpsInns venues. Please ask for our full range of options. We cater for all sizes of funerals.
